

It's 9:00 a.m. Do you know where your sales reps are?

Sales PRO is the leading web-based software program for the homecare industry allowing sales and marketing professionals to track, evaluate and monitor their work. Sales PRO tracks how best to reach your accounts, maintains a continuous call report, highlights key account issues and so much more.

- ▶ Track all your sales calls.
- ▶ Have access to a marketing calendar.
- ▶ Remember all upcoming marketing events.
- ▶ Report all marketing expenses by account.
- ▶ Access all account notes for the past year.
- ▶ Remember all key information about your referral source.
- ▶ Determine sales person location and schedule – instantly.

Sales PRO 1.0™
ONLINE ACTIVITY MANAGEMENT

Developed By The Industry's Leading Sales And Marketing Professional, Louis Feuer, MA, MSW

Never lose another lead. Enjoy immediate access to all account data. Understand your marketing expenses. Build positive relationships with your referral sources and so much more!

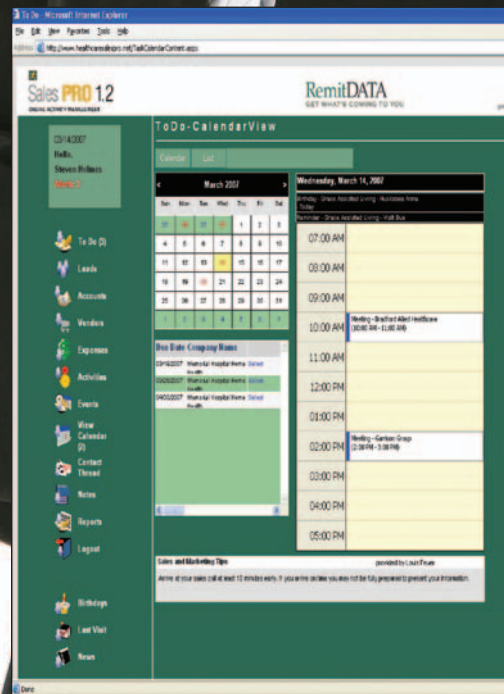

Put it to work for you immediately – without any customization or editing required. Sales PRO is a comprehensive source for complete data on all of your customers and allows managers to monitor sales team performance 24/7 – regardless of their location.

With Sales PRO, You Have Immediate Access To:

- ▶ All of your accounts, contacts notes.
- ▶ All products of interest to customers.
- ▶ Leads generated by you or your office.
- ▶ Information about upcoming special marketing events.
- ▶ Marketing expenses attributable to each account.
- ▶ Birthdays of all of your customers.
- ▶ A list of last appointments for each account.
- ▶ Easy to read notes for each account.
- ▶ A manager's view of Sales PRO documentation for all staff.
- ▶ Mileage reports for each sales person.
- ▶ A process for separating accounts when developing a new territory.

Comprehensive Reports:

- ▶ Accounts by zip code.
- ▶ Expenses by account.
- ▶ Reports by sales representative.
- ▶ Complete list of all accounts.
- ▶ Accounts by profession & more.
